

Job description

- Position:** Men's Coaching Coordinator
- Main purpose:** To uphold and assist in achieving the aims and objectives of the Federation as enshrined in the constitution.
- Role:** The Coaching Coordinator will be an experienced Men's Coach who holds either the highest coaching qualification in his country when possible or one conferred by the Federation of International Lacrosse (FIL). To act in an impartial manner when undertaking duties of the Federation.
- Responsible to:** The Executive Committee
- Contractual arrangement:** A voluntary position which is not remunerated. This post does not carry a vote on the Executive committee
- Tenure:** One year from date of appointment, at the AGM.

Principal Responsibilities and Duties:

To be proactive in the development of short and long term plans for strengthening the coaching organization in Europe and subject to Executive Committee oversight, and when available to allocate funding for coaching development.

To recruit, train and mentor men's coaches throughout Europe.

To identify need and assist member countries and potential members in setting up coaching camps or clinics, providing them with qualified instructors.

To assist in the management and oversight of all coaching development initiatives in member nations.

To assist member countries with advice and assistance when required in respect of any lacrosse event they may organise from time to time. If invited, to attend such event and provide such assistance as may be required.

To report to the Executive Committee as and when required on progress concerning the development of coaches, clinics, camps and training opportunities,

To report at the AGM on the number and levels of qualified men's coaches in Europe.
